For the past 5 years Mobile IT Department has been proud to service the computers for their business clients and now it's time to give something back. Mobile IT Department is offering a referral bonus to our loyal clients by way of a free hour of on-site services in your home or office for every hour of paid on-site service referred to us by our existing clients and current employees between April 1<sup>st</sup> and April 31<sup>st</sup> 2008.

All you have to do to benefit from this is tell your referrer to mention who referred them to us and your account will automatically be credited with the same amount of time and applied to your next service/s (these credits will not expire and can be redeemed at any time).
